Use this FREE Davies Sports scoresheet to keep track of your teams on Sports Day. Take a look at the example below, which we've entered six teams into.

Pick your own teams and events and enter onto the reverse of this sheet.

| Sports Day Scoresheet | Team Names |     |        |       |        |        |  |  |
|-----------------------|------------|-----|--------|-------|--------|--------|--|--|
| Event Name            | Blue       | Red | Yellow | Green | Orange | Purple |  |  |
| Egg and Spoon         | 1st        |     | 2nd    |       | 3rd    |        |  |  |
| Ninja Agility         |            | 2nd | 3rd    | 1st   |        |        |  |  |
| Relay                 | 1st        | 3rd |        |       |        | 2nd    |  |  |
|                       |            |     |        |       |        |        |  |  |
|                       |            |     |        |       |        |        |  |  |
|                       |            |     |        |       |        |        |  |  |
|                       |            |     |        |       |        |        |  |  |
|                       |            |     |        |       |        |        |  |  |
|                       |            |     |        |       |        |        |  |  |
|                       |            |     |        |       |        |        |  |  |
|                       |            |     |        |       |        |        |  |  |
| Tally                 |            |     |        |       |        |        |  |  |
| Number of 1st         | П          |     |        | 1     |        |        |  |  |
| Number of 2nd         |            | I   | I      |       |        | I      |  |  |
| Number of 3rd         |            | 1   | 1      |       | I      |        |  |  |
| Total Points          | 200        | 75  | 75     | 100   | 25     | 50     |  |  |

## How to score

Award 1st, 2nd and 3rd for each event. Keep a tally at the bottom of the sheet for each team and add up the total at the end.

1st = 100

2nd = 50

3rd = 25
